

June 2021

Dear Parents/Guardians,

In order to encourage your child to read this summer, I am sending home a “pop open a good book” chart to keep up with all of the books he/she reads over the summer. Have your child write the title of the books he/she reads on each popcorn kernel. If your child is going into grades 3-6 he/she may read 100 pages for each kernel instead of a book title (after the first line with the title put a check in place of the title). Return the completed chart to Mrs. Sussman or Mrs. McAnulty by Friday September 17, 2021 for a “poppin” prize! The chart must be completely filled in to earn it.

Enjoy your summer!

Sincerely,

Mrs. Amy Sussman
